**Description:** Map shows lodging in Reunion area

**Map at the web site will show lodging available in the Van Buren ME area**

We know you all are anxiously awaiting news about Reunion 2011 details! While some program and registration cost details are still being ironed out we wanted to give you lodging information so you can make reservations before the summer rush starts.

There is an interactive map system at our [www.VioletteFamily.org](http://www.VioletteFamily.org) web site that shows where hotels, motels, B&Bs, campgrounds, and RV parks are located in the Van Buren ME region. You can zoom and scroll to see the locations and you will have information about how to contact the businesses. Click on the Map of Reunion Area button to get the maps.

The other maps in the system will have more locations added over the next couple of months, and each Reunion registration package will have paper copies of all the maps.
