4/13/2011

**Author:** David A. Violette VFA #621, [David@Violette.com](mailto:David@Violette.com)

**Keywords:** Violette Family Association, Reunion, Van Buren ME

**Description:** Reunion registration; newsletter correction

I apologize for some confusing information in the recent newsletter that was linked in a recent eNewsletter. To clarify, you are asked to submit payment for registration and meals **at the time you register**. The registration form in the previous newsletter said you could register now and pay later, but that is not correct. The current newsletter includes a registration form with the proper information. Use the links below to download the corrected newsletter and corrected registration form. Also, the pay by PayPal option is not working yet but I will let you know when it is.

An updated version of the March 2011 newsletter is available at the web site
